*Changes which affect
your insurance*

You should keep a complete record of all information (including copies of letters) supplied to us in taking out this insurance.

So that you understand what you are covered for, please read this policy, the schedule and the certificate of motor insurance very carefully. You should pay special attention to the general exclusions and general conditions.

If you have any questions, or the cover does not meet your needs or any of the details are incorrect you should notify us immediately via your insurance intermediary.

To keep your policy up to date please tell us straight away about changes which affect your insurance.

Some examples are:

- A change of car, or you purchase another car to which you want cover to apply
- You wish a new driver to be covered
- Someone who drives the car gets a motoring or other conviction or suffers from a medical condition or has a claim on another policy
- The car is changed from the manufacturer's standard specification

- A change of job by you or any other driver
- A change of address
- A change in the use of the car
- The car is involved in an accident no matter how trivial

If you do not tell us about changes, your insurance may not cover you fully or at all.

WHAT YOU SHOULD DO IN THE EVENT OF AN ACCIDENT

Claims Helpline

THE LAW

If you have an accident which involves an injury to any person or certain animals, another vehicle or damage to property, you must stop. If you own the vehicle you must give your name, address and insurance details to anyone who has a good reason to ask. If you do not own the vehicle you must provide the owner's name and address.

If there is an injury and you do not give your details at the scene, you must report the incident to the police within 24 hours.

AT THE SCENE

It is important that you obtain full details of the following:

- All the vehicles involved
- The names, addresses and telephone numbers of the other drivers and of any witnesses
- The number of passengers in each vehicle
- The insurance details of the other drivers
- Injuries caused
- Property damaged and extent of damage
- Police Officer involvement (name, number & constabulary)

Make a rough sketch of the accident scene showing the position of the vehicles before and after the accident.

Do not apologise or admit that you were to blame. Do not sign anything at the scene.

REPORTING THE ACCIDENT

Report the accident immediately to our

CLAIMS HELPLINE on 0845 600 5330

and provide us with all the information you obtained at the scene. This will allow us to contact anyone else involved straight away. If you were not at fault we will attempt to recover any money we pay so that your no claims discount is not affected.

If you were at fault however, we will offer to deal with the Third Party's claim to minimise costs.

If your insurance covers you for the cost of repairs to your car after an accident, fire or theft, we will discuss the repair options for the insured vehicle and, if agreed, notify the nearest approved repairer.

Claims Helpline
0845 600 5330

APPROVED REPAIRERS

We strongly recommend using one of our approved repairers. There are many benefits in doing so:

- They provide a fast, reliable and professional service
- They will collect your car free of charge. While they are repairing your car, the repairer will offer you a free courtesy car subject to availability
- After the repair, your car will be returned to you having been cleaned thoroughly inside and out
- We will settle the bill for repairs. All you need do is pay the policy excess direct to the repairer
- The repairer's work is guaranteed for three years

If your car is not driveable we may move your car to a safe place while it is waiting to be repaired or disposed of. You should remove all personal belongings.

PRIVATE CAR INSURANCE

This document is a legally binding contract of insurance between you and us. The contract is based upon the information you gave us in the proposal form or the statement of fact and the declaration you made.

We agree to insure you under the terms of this contract against accidental injury, loss or damage that occurs within the geographical limits during the period of insurance for which you have paid or agreed to pay the premium.

You must read this policy, the schedule and the certificate of motor insurance together. The schedule tells you which sections of the policy apply. Please check all three documents carefully to make certain they give you the cover you want.

English Law will apply to this contract of insurance unless we and you have agreed otherwise.

SECTION 1 ACCIDENTAL DAMAGE

WHAT IS COVERED

We will cover you under this section for accidental damage to your car. This is subject to the amount shown in the schedule under "Excess applying to Section 1 - Accidental Damage".

In addition, you must pay the amount shown in the schedule under "Young and/or Inexperienced Drivers" if the person driving or in charge of the car at the time of the accident is:-

- aged under 25;
- or aged 25 or over but has not held a full UK licence for at least 12 months

You must pay the appropriate excess for each claim you make.

We will cover loss or damage to the car while it is with a member of the motor trade for servicing or repair.

SECTION 2 FIRE AND THEFT

WHAT IS COVERED

We will cover you under this section for loss or damage to your car caused by fire, lightning or explosion, theft or attempted theft. This is subject to the amount shown in the schedule under "Excess applying to Section 2 - Fire & Theft".

WHAT IS NOT COVERED UNDER SECTIONS 1 & 2

- The amount shown in the schedule under "Excess applying to Section"
- Any damage to the car caused deliberately by you or any person driving it with your permission
- Any payment above the amount shown in the schedule under the heading "Limits Applying - Section 1&2 - Radio" in relation to the replacement or repair of car audio equipment
- Loss or damage to audio or visual entertainment equipment, communication or navigational equipment unless permanently fitted to the vehicle at the time of manufacture
- Loss of use of the car or any costs incurred which are not directly associated with the incident that caused you to claim

Claims Helpline
0845 600 5330

- Wear and tear, depreciation, mechanical, electrical, electronic and computer failures or breakdowns
- Damage to tyres caused by braking, punctures, cuts or bursts
- Loss of value for any reason
- Loss of or damage to the car resulting from fraud or deception
- Any amount greater than the manufacturer's latest list price for any part or accessory
- Any extra cost due to parts or replacements not being available in the United Kingdom
- Loss of or damage to any accessory which is not permanently attached to the vehicle
- Loss of or damage to the car caused by a member of the family or household of a permitted driver taking the car without your permission
- Loss of or damage to the car if it is not covered by a valid Department for Transport test certificate (MOT), if one is needed by law
- Loss of or damage to the car if it is left unattended and the ignition key is in or on the car and/or all doors, windows and other openings have not been closed and locked
- Confiscation or requisition or destruction by or under order of any Government or Public or Local Authority

HOW WE WILL SETTLE CLAIMS UNDER SECTIONS 1 AND 2

We will choose whether to repair or replace your car or to pay you a cash sum equal to the cost of the loss or damage.

We will not pay for the whole cost of any repair or replacement which leaves your car in a better condition than it was before the loss or damage. If this happens you will have to pay part of the cost of repair or replacement.

The repairer may be authorised to use replacement parts (if appropriate) which were not supplied by the original manufacturer of the car.

If you are still paying for the car under a hire purchase or leasing agreement we will settle your claim with the car's legal owner unless by prior agreement.

The most we will pay will be the market value of the car immediately before the accident or loss unless:

- you have been the sole owner of the car, and within one year of its first registration, the car is stolen and not recovered, or
- damaged and the cost of repairing that damage is more than 60% of the cost of buying an identical new car at the time of the loss or damage.

In these circumstances we will replace your car with a new one of the same make, model and specification, provided one is available in the United Kingdom.

Claims Helpline
0845 600 5330

If the car sustains damage which is covered under this policy you must take steps to ensure its security and safety.

If the car cannot be driven due to the damage we will pay for the car to be protected and taken to our nearest approved repairer.

If we choose to pay you the market value of your car rather than to repair it, you must send us the Certificate of Motor Insurance, the Vehicle Registration Document and the MOT certificate, if the car needs one, before we pay your claim.

We may, without further notice, move the car to a secure place of free storage. All personal possessions should be removed from the car at the earliest opportunity.

As soon as you accept our offer, this insurance will end for that car and any outstanding or overdue premium must be paid.

The car then becomes our property.

SECTION 3 LIABILITY TO OTHERS

WHAT IS COVERED

We will cover you under this section for the costs and damages you are legally liable to pay for the death of or injury to any person and damage to property caused by:
